- Football watching/playing
- Reading Literature
- Watching Movies, Series, Documentaries
- Phone and Computer Repairing
- Off-Road
- Camping
- Body Building

ABOUT ME

A software engineer who has enough knowledge to be able to develop the software at every stage from the visual design to the back-end of web projects and to have an opinion in the decision stages.

On the UI design side, he is sensitive to the needs of the users and has the ability to design simple and stylish.

Good at communicating with people verbally and in writing.

Also skilled at conveying his knowledge to others. Open to criticism and willing to improve himself.
